Applying for the Changemaker Fund

Every changemaker has a story and lots of ideas. We want to understand how this fund can support you in creating positive changes. We suggest you spend some time thinking about how your project will contribute to the outcomes described on [the Change is Possible website](#).

As part of your application, you'll need the following supporting information. We suggest you gather this information together before you complete the form.

Application Requirements:

- Complete this Changemaker Fund Application Form
- If you're not operating as a legal entity, you will need to identify a fundholder who can receive funding on your behalf if your application is successful. You will need some details about that organisation (see below).

When you're done, email your application form and other documents requested to changeispossible@msd.govt.nz

A written character reference from a trusted member of your community. If you have any questions, please contact Alex Ness, Senior Advisor on (029) 953 3223 or email alex.ness003@msd.govt.nz

Applications must be submitted by 5PM Wednesday, 1 May 2024.

If you are finding it difficult to arrange a fundholder, we may be able to support you in doing so, however you must have an established fundholder before the closing date of the fund, so please reach out early.
